Data Structures and Algorithm
DBMS
Probability and Statistics

Work Experience/Projects

2023 My Portfolio Website

Made my own portfolio website using HTML, CSS, JS that consists of my personal details, educational qualifications, achievements and other interests.

2023 C++ Project on Hotel Management

I developed a hotel management system in C++, featuring functions for booking, check-in/check-out, room availability, customer management, and billing. The program utilizes object-oriented programming principles and file handling to ensure efficient and secure data management.

Achievements/Certifications

2021-NOW **Contest Ranks:**
Obtained a rank of 916 in CodeChef Starters 72

Secured a Rank-31 in coderush coding challenge hosted in NIT Rourkela

2021-NOW **Contest Rating**
Achieved a rating of 1543 and 2 stars on CodeChef.

2018 State Scholarship

Achieved state government scholarship for being in the top 5 percent of students in the 12th board.

Extra Curricular Activities

2022-NOW **Algorithmic and Programming Society** **APS**
I have been part of the Algorithmic and Programming Society as a technical member. It is the only coding club of NIT Rourkela. Here we learn and teach DSA and make a competitive environment for competitive programming and share good ideas and experience about coding.

Nov- 2022 **Team co-ordinator of PR and Publicity team** **INNOVISION**
Worked as a coordinator in Annual tech. fest INNOVISION 2022 in PR and Publicity team where my responsibilities included to reach other college student and share the information about our fest and events. We successfully reached almost every college in our state. I have also volunteered in other teams' work.

DEC-2021 **QC Teacher at Physicswallah** **PW**
I worked as an intern at PhysicsWallah with Quality Check team of Mathematics.
